## Right to Information (RTI)

The **Right to Information (RTI) Act, 2005** empowers citizens to access information from public authorities, ensuring transparency and accountability. Educational institutions, particularly those funded or recognized by the government (e.g., schools, colleges, and universities), fall under **Section 4(1)(b) and Section 2(h)** of the RTI Act and must provide information unless exempt under **Section 8**.

The **University Grants Commission (UGC)** mandates that all universities and colleges under its purview comply with RTI provisions. These institutions must appoint a **Public Information Officer (PIO)** responsible for handling RTI queries and ensuring prompt responses.
